for the first regular Storytime.
It is open to everyone and FREE of charge, but children
under 5 must be
accompanied by a caregiver.
Come for stories and crafts!!

Please note: there will be regular Storytime Saturday Oct 10th.

Expansion Update

August 13, 2009

The Environmental Assessment has been approved by Parks and has gone on to the Canada Builds Fund to finalize the funding agreement. The next step is finding a Conservation Architect for the project. Invitations to express interest in the project will be sent out soon to be shortlisted to about three. Fundraising has begun. A CFEP (Community Facility Enhancement Program) grant has been applied for and working the St. Albert Casino is tentatively scheduled for Fall 2010.

That's it for now. We'll continue to post updates as things progress.

Summer Reading Program

WOW! Thank you to everyone who helped make this year a record breaker. Many thanks to my Tuesday helpers, Anagha and Stella. As well, thanks to Giela and Jhaye M. for stepping up when I needed them.

Thank you to the continued participation of the Meeting of the Waters Childcare Centre and Camp Caledonia. And many, many thanks to the kids and their families who participated in this year's program. The total attendance was 391 children. **WOW!**

Angie Thom
Children and Youth Programmer
